CD RELEASE/UPCOMING EVENTS

In November 2014 Michael John Kramer released his demo CD to the public and his fans. The next highly anticipated full CD production will be released in 2015. Keep up to date with the coming CD release and upcoming tour schedule by following him at www.MichealJohnKramer.com

Biography

As a singer, songwriter, performer, and recording artist Michael John Kramer has made a name for himself in Western N.Y. and its neighboring states with his wide vocal range and energetic and lively stage presence. Michael has been on Crossroads a local T.V. show and has conducted on air interviews with local radio. Kramer has performed in a variety of bands that have also opened for national acts. Kramer has been performing live shows for over 20 years. Kramer has since found his way back to his roots of country music mixed with a little rock and blues.
